

Gone,gone, gone – TEXT

- A** **SA** When life leaves you high and dry
 I'll be at your door tonight
alle if you need help, if you need help.
SA I'll shut down the city lights,
 I'll lie, cheat, I'll beg and bribe
alle to make you well, to make you well.
- B** **SA** When enemies are at your door,
 I'll carry you way from more **TB** Ooh__
alle if you need help, if you need help.
SA Your hope dangling by a string
 I'll share in your suffering **TB** Ooh__
alle to make you well, to make you well.
- C** **SA** Give me reasons to believe
alle that you would do the same for me
 And I would do it for you, for you,
SA Baby I'm not moving on
alle I love you long
SA after you're gone.
Alle For you, for you
SA You would never sleep alone
alle I love you long
SA after you're gone
alle And long after you're gone, gone, gone.
- D** **SA** When you fall out like a statue
 I'm gonna be there to catch you, **TB** Ooh__
alle put you on your feet, you on your feet.
SA And if your well is empty
 not a thing will prevent me **TB** Ooh__
alle Tell me what you need, what do you need?
- E** **SA** I surrender honestly
alle you've always done the same for me.
 So I would do it for you, for you,
SA Baby I'm not moving on
alle I love you long

SA after you're gone.
Alle For you, for you
SA you would never sleep alone
alle I love you long
SA after you're gone
alle and long after you're gone, gone, gone.

F You're my backbone, you're my cornerstone,
you're my crutch when my legs stop moving.

you're the pulse that I've always needed.

G TB Like a drum, baby, don't stop beating.
