

A Tribute to Queen TEXT

Bohemian Rhapsodie

- A** **alle** Is this the real life? Is this just fantasy?
 Caught in a landslide, no escape from reality.
 Open your eyes look up to the skies and see
 TB I'm just a poor boy. I need no sympathy **SA** Uh__
 SA because I'm
 alle easy come, easy go, little high, little low.
 SA Anyway **ATB** Oh__
 alle the wind blows doesn't really matter to me, to me.
- B** Mama, just killed a man,
 Put a gun against his head, pulled my trigger, now he's dead.
 SA Mama, life had just begun, **TB** Ah__
 alle but now I've gone and thrown it all away
- C** Mama, uh__
 S Didn't mean to make you cry **ATB** Uh__
 SA if I'm not back again this time **TB** Ah__
 alle tomorrow, carry on, carry on
 TB as if nothing really matters.
- D** **alle** Too late my time has come,
 sends shivers down my spine, body's aching all the time.
 SA Goodbye everybody, I've got to go **TB** Ah__
 alle gotta leave you all behind and face the truth.
- E** Mama **SA** uh__
 TB Anyway the wind blows
 S I don't wanna die **A** Uh__
 alle I sometimes wish I'd never been born at all__

Radio Gaga

- F** **SA** I'd sit alone and watch your light **TB** Oh__
 my only friend through teenage nights oh__
 and everything I had to know ah__
 alle I heard it on my radio
 SA You gave them all those oldtime stars **TB** Oh__
 through wars of worlds invaded by Mars oh__
 You made 'em laugh, you made 'em cry ah__
 alle you made us feel like we could fly

G So don't become some background noise
a backdrop for the girls and boys
SA who just don't know or just don't care **TB** Oh__
and just complain when you're not there Ah__
alle You had your time, you had the power,
you've yet to have your finest hour.
Radio, Radio

H All we hear is Radio gaga, Radio goo goo, Radio gaga
All we hear is Radio gaga, Radio blah blah
Radio, what's new? Radio, someone still loves you.

I want to break free

I I want to break free, I want to break free.
I want to break free from your lies. You're so self-satisfied.
I don't need you. I've got to break free.
God knows. God knows I want to break free,
I've fallen in love. I've fallen in love for the first time
and this time I know it's for real.
I've fallen in love
God knows. God knows I've fallen in love.

Under pressure

J Pressure pushing down on me,
pressing down on you, no man ask for.
Under pressure that burns a building down,
splits a family in two, puts people on streets.

K It's the terror of knowing what this world is about,
watching some good friends screaming: „Let me out!“
Pray tomorrow gets me higher
pressure on people, people on streets.

Who wants to live forever

L But touch my tears with your lips.
Touch my world with your fingertips.

M And we can have forever, and we can have forever.
Forever is our today.

Somebody to love

N SA Each morning I get up, I die a little
can't barely stand on my feet
TB Take a look
alle take a look in the mirror and cry
TB Lord what you're doing to me? SA yeah, yeah.
SA I've spent all my years TB Oh__
alle believin' in you
but I just can't get no relief Lord,

O Somebody, somebody
TB Can
alle anybody find me
TB somebody to love.

We are the champions

P TB I've paid my dues, time after time
I've done my sentence but committed no crime
SA And bad mistakes, I've made a few.
I've had my share of sand kicked in my face
alle but I've come through.
And I mean to go on, and on, and on, and on.

Q We are the champions, my friend.
And we'll keep on fighting till the end.
We are the champions, we are the champions.
